**The School Motto – Let's Reach Higher!!**

29/03/2021

Dear Parents,

Below please find some info.

A note of gratitude to all parents for your help and commitment towards your children and their teachers during online lessons.

Also, we extend this gratitude to all teachers who worked at length to provide professional lessons and activities.

Thanks too to the school clerks who worked hard and to the support staff who saw to school embellishment during our absence.

Till now, we do not have info as to how we will proceed following Easter holidays.

On 29th April, school finishes at 12 both if teaching is online and also if it is a normal school day. Transport runs at 12. Teachers will follow a 2 hour training session.

Regards and Easter greetings,

Ms Ben

Head of School

Ms Pat, Ms Pam

Asst Heads
